Ebersbach, in April 2006

Rules of the Senior World Championship in Berlin from 3rd till 7th Octobre,
2006.

Dear Mr. Presidents,

after discussion with some jury members at the Junior World Championship in
Stuttgart, we changed the competition course and the remarks to the
competition works
of the Senior World Championship in Berlin.
By that we could avoid further misunderstandings.

I ask you politely to pay attention to it.

Besides we extended the registration deadline till 31st May, 2006.

Yours faithfully
