Mr. President János Pataki  
Budapest Hungary

Ebersbach, in March 2010

Dear Mr. President Pataki,  
dear Hungarian Colleagues,

as we all are again healthy and had a good way back to our home countries, the everyday life has caught up with us.

For the first time the UIPCG was guest in the beautiful Budapest.

T H A N K S

to our Mr. President Pataki and the Hungarian Colleagues for the perfectly organized 14 th Junior World Championship under 25.

The perfect organization has made the great accomplishments of the participants possible in friendship and harmony.

Also the results of the board meeting and the general meeting will bring further impetus for the UIPCG.

Getting to know country and people with their culinary delicacies was another highlight.

The gala evening and presentation ceremony have shown the youth of the world once again that accomplishments and engagement are worthwhile.

All in all we would like to say the warmth and hospitality will make Budapest unforgettable.

Thank you one more time.

Your obedient servants
